We must give thought at around Easter Time to arranging Xmas events. Peter to talk to the Vicar.

PW

Ken to progress the Schools Competition.

KN

The Fairground Organ man has already been booked for this day. We have had no reply from the Fairground Rides man. Brian will telephone him to try and get a reply.

Arthur Harmour is currently trying to build a Public Address System. AH

GOLDSWORTH PARK COMMUNITY ASSOCIATION

MINUTES OF THE MEETING HELD ON TUESDAY 13TH JANUARY 1987

AT THE SOCIAL CENTRE LAKEVIEW GOLDSWORTH PARK

Attending: M.Atkinson - Goldsworth Park Youth And Community Worker

1. Opening

The Chairman opened the meeting at 8.00pm and wished everyone a happy and prosperous New Year.

2. Minutes of the previous meeting

The minutes were agreed.

3. Matters arising

- 4a) We are still awaiting our £100 from the Council in respect of the cost of the Bulb Planting exercise.
- 4d) N.S.S. head office replied in writing indicating that prizes would be donated by the store upon showing the letter to the Manager; This was borne out in practice.
- 6b) Two tickets for the hen night have so far been sold. We stand to lose £250. We have until next week to decide whether to cancel.
- 11) The bottle of Scotch is to be purchased shortly.

4. Chairman's Report / Correspondence - Peter Winter

a)GYLD:

Letter from Mark Atkinson dd6th Jan. indicating that they might participate in the Gala. See item 10.

b)Finance for Centre:

Letter from R. Cook(solicitor) reminding us of the consequences if we fail to raise the required funds in time

c)Health and Housing Sub-Committee:(Drop in Centre)

Meeting held on 15 Dec. They were very sympathetic towards the Park. Impressed by our initiative / offer. Meeting 7th Jan. we are top of the poll re priority. Mr Elston will find the money for a temporary sight during the next financial year. eg the old community sight next door to the Church near to Waitrose. The needs of other groups on the Park was mentioned and suitability of a joint centre would therefore be investigated.

d) Senior Citizens:

Letter to the press sent requesting volunteers to help Senior Citizens with their shopping, particularly in the winter months. The Chairman asked to be kept informed of all letters / action taken by members of the Committee involving the Association so that he could 'Be Prepared'.

e)Leaflets:

The Chairman referred to political leaflets in his possession which had been circulating around the Park. As an independent organisation he objected to the Tit-for-Tat arguments/ articles therein.

5. Treasurer's Report

No report was submitted as the Treasurer was not present. (Held up in London)

6. Social Sub-Committee Report - Brian Bailey

a) Children's Christmas Party:

73 'Boisterous' children enjoyed themselves although the same could not be said for the helpers. 7 & 8 year olds were identified as the trouble makers. Name badges were suggested for next year to make identification easier at present time. Some parents had still not arrived to collect their charges 20 minutes after the official end although it was acknowledged that perhaps we were more punctual than usual. Mrs P. Heath wrote a very nice thank you letter and said she'd join the Association on the strength of the party.

b) Jumble Sale:

This Friday evening and Saturday a.m. jumble will be sorted at Sythwood school ready for the doors to open at 1.30 pm Saturday. Admission 10p.

c) Hen night:

See earlier reference (3-6b). We must sell 50 tickets to break even. The event is again advertised in this month's newsletter and there will be an article in this week's Review.

d) Valentine dance:

The committee was encouraged to attend. Tickets £4, £4.50 for non-members. Barbara is in charge of the food.

e) Stag night:

Tickets £5.00 and £4.50 On sale from Brian now.

f) Miscellaneous:

3 Jumble sales and perhaps another hen night were in the pipeline for the remainder of the year. The "free" disco would be a 60's/70's music night but no theme as such. £3 and £3.50. Car boot sale 29/4 confirmed. 3 other car boots to be arranged during the year.

g) Letter from secretary:

Rachel had earlier suggested various fund raising/ social events for consideration by the social sub-committee. Beautiful Baby contest could be part of the gala- Moss Bros to sponsor. Jumble sale specially for babies/maternity wear etc- demand would not be great enough. The youth activities already fall under M.A.'s jurisdiction. The importance of involving the disabled and senior residents on the park was discussed; again, a glamorous granny contest could be part of the gala. The carol singing idea was welcomed and the possibility of ousting the round table from their perch outside Waitrose was mooted; perhaps we could decorate a float- Andy Knowles is to be approached. We have attempted 2 previous art and craft fares; only one was a success.

h) Other possible events:

Cat show. film show- to be held in abeyance until centre is operational. Horse racing evening ditto. Perhaps more social and less fund raising events could be arranged after March once the cheque could be covered. A new coach operator, Mr Galean, is to be seen re possibility of him being able to fill a coach if we could fill only 10/15 seats.

i) Miss Goldsworth Park:

New sponsor required to replace Frazers. Bridgers and Mann & Co. were approached by Peter and Brian respectively. We require £3400 (£1000 sponsorship and support of the newsletter) Bridgers offered us £3100 initially but quickly increased it to £3400 when we declined. Plus they said they had the opportunity to obtain further sponsorship for us from their associate companies. Later advised they had one lined up and 2 more in the pipeline. Mann's first offer was for £3400 - have not had the opportunity to improve on that if they are able. The Committee were asked to choose between them. After a lively discussion the final vote was as follows;
Bridgers.....4 votes
Manns.....4 votes

1 abstention.

It was decided that Peter and Brian were to continue their negotiations and to settle on the best deal for the Park without the need to return to the Committee

j) Gala: Mark Atkinson was asked to address the meeting.

GYLD were considering a youth rally/ event in combination with the gala. 14+ age group including youth clubs, Church, sport clubs etc. It's a knockout style was envisaged &/or obstacle race, 3- legged, etc but no firm ideas yet. We had been thinking along the lines of an inter schools bash but along similar lines to the above. The event(s) would have to be held principally in the same arena. Deadline approx 2 months, Mark was therefore invited back to the March meeting.

k) Dash for the Centre:

Advance letters were ready. Pairs /areas had been allocated. The draw would take place in the Fine Fate store by Miss Goldsworth Park.

7. Newsletter Editor's Report - Brian Bailey

The layout had been revamped slightly. We lost money on the last 2 additions but this was usual owing to the Xmas break. Things will pick up now. The charge to the advertisers will increase. Prittles (double glazing) have contacted us. They will pay the Association 2 1/2% commission on all sales on the Park. No time limit. Will still pay for the advertising.

8. Community Centre- Peter Winter

We do not know what is going on as W.B.C is very uncommunicative. The Chairman related the saga concerning the signing and return of the building agreement and Council officers accusing the Association of holding matters up. This has culminated in a strongly worded letter from the Chairman to Mr John Alexander (vice Chairman of the leisure Committee) with copies to the 3 Park Councillors; John Covus has taken the matter up on our behalf.

Justices On-License:

We have received a set of proposed conditions to be attached to the License. We have objected to some of these as being very restrictive/ not practical. Our complaints have been acknowledged and there is a further meeting on 5 February - we may get some feedback.

9. Membership

Steve Dixon not present. A fair number of rejoining letters have come back. In answer to a question by John Sawtell it was confirmed that the Discount list for members was being updated.

10 Any Other Business

The Chairman expressed his apologies for not mentioning this at the beginning; Mr R. Cook, Committee member, who was elected at the AGM suffered a heart attack 2 days later and died shortly afterwards. A card has been sent on our behalf.

The secretary had several items of correspondence to report:

- 1) political leaflets mailed directly to home address, (addressed to the association)
- 2) confirmation from Woking Borough Council that the social centre had been booked for our monthly meetings for the rest of 1987.
- 3) letter from D Raynes of the Council advising of the proposed speed limits along Lockfield drive. Described by the Committee as unpractical, confusing and unenforceable. Our comments were required by 29 December 1986 (despite the Christmas break) Colin Grainger will phone the Council in the light of his previous monitoring here.
- 4) The secretary was pleased to report receipt of a cheque for £250 from Nat West, her employers. Peter signed a thank you letter and the Committee expressed their appreciation.

John Sawtell will design a poster for the Dash.

contd....4

A complaint has been received about the standard of the notice boards. These will be dealt with in due course.

Minutes of GYLD meeting handed to the chairman by Jenny Lane.

Mark Atkinson was pleased to report that considerable progress had been made on the Park during the last 12 months concerning Youth activities.

The meeting was closed at 10.47 pm

11th January, 1987.

Dear Mr. Cook,

GOLDSWORTH PARK COMMUNITY ASSOCIATION. CENTRE.

Thank you for your letter dated 18th December 1986.

I am informed by our treasurer that providing no unexpected bills arrive between now and the end of March, we already have the required £3,000.

The most likely reason for a shortfall now would be the failure of the County Council to come up with all or part of the recommended £43,000 grant. I have however taken the precaution of briefing our local county councilors and asking them to go forth and spread the word.

I have as yet no firm date for the start of the building contract.

Yours sincerely,

P.G. Winter.
Chairman.

GPCA SOCIAL COMMITTEEMINUTES OF THE MEETING HELD ON 3RD FEBRUARY 1987

Present: P. Winter
 B. Bailey
 B. Springall
 C. Taylor
 K. Nieman
 R. Greig
 J. Wilsher
 A. Thornley (in attendance)

Apologies: P. Barrow

Action

1. JUMBLE SALE - 17.1.87

Went well - £140 raised and everybody managed to get a good look round.

2. DASH FOR THE CENTRE

A good start so far.

3. HEN NIGHT - 30.1.87

This was cancelled at a cost of £200. Only about 50 tickets were sold - perhaps the event was too soon after Xmas.

4. VALENTINES DANCE - 14.2.87

Although we have not sold any tickets yet, we must still hold the Dance as we will have to pay the group Tequila their fee of £125 anyway. Perhaps the event is too expensive at £4.50 (non-members). It was decided that the lack of a Bar was not a contributory factor as it was very expensive anyway, cumbersome and lengthy to clear up afterwards. There was an article in last week's review on the Dance and perhaps we may get late requests (as with the Hen Night).

Food : Barbara to organise.

BS

Band : Brian to let them in at 6.00 p.m. to set up equipment. Ken to help Brian set up.

BB

BB/KN

Publicity Cycle to be done for the event, including Review, and see if they will write an article on it.

JW

Jackie to call Jenny Lane and see if she can prompt her Young Wives Circle to support the Dance.

JW

Barbara to sort out raffle prize (heart-shaped cushion).
 Posters to be done.

BS

5. STAG NIGHT - 27.2.87 WOKING FOOTBALL CLUB

Jackie to do Publicity Cycle and ask for article to be written. It was suggested just to send in the Newsletter asking each paper to use whatever was in it that they might like to publish. JW

20 tickets sold so far. The event will run from 8.15 - 11.30. Tickets will cost £5.00. Brian ticket contact and Ken and Peter stewarding the event. BB
KN/PB

6. JUMBLE SALE - 14.3.87

Advert to be put in the News and Mail by 2nd March for publication on 11th in Peter's name. PW/JW

7. HEN NIGHT - 20.3.87

Publicity Cycle to be done (send copy of Newsletter and ask for article to be written). JW

8. DISCO 21.3.87

Jackie has written and confirmed the event to Discosonic. Brian will be selling the tickets. BB

9. CAR BOOT SALE - 29.3.87

10. TREASURE HUNT - 26.4.87

Ken to provide details for the Newsletter by 25th February. Price per car is to be £3.00. KN

11. SPALDING BULB FESTIVAL - 9.5.87

The meeting between BB/PW and Gilham Associates was postponed due to bad weather. Needs to be rearranged. PW/BB

12. MISS GOLDSWORTH PARK - 29.5.87 CENTRE HALLS

It has been finally decided to accept Mann & Co. as sponsors. They will sponsor 4 events:-

- | | | |
|-------------------------------|---|------|
| i) Miss Goldsworth Park | - | £500 |
| ii) The Gala | - | £500 |
| iii) Fireworks (7th November) | - | £400 |
| iv) Xmas Parties. | - | £100 |

We also have £500 sponsorship from Whiteman & Packer. Mann & Co. will provide the 1st Prize for Miss GP - £300 cash. Whiteman & Packer to sponsor the evening - £200. Leaves £500 for the Gala.

Expenses for the Hall and Organist are £140 (Peter to book). PW
We need to get some reasonable entertainment - perhaps Chris
Bylett and "Desmond" : as seen on TV. We only have £200
sponsorship so needs to be researched, but it would help to
sell tickets. Probably we need 2 acts and perhaps put up
£100 of our own money. Peter to talk to Wally Dent to PW
research acts.

2nd Prize possibly from Hogg Robinson - Anne to enquire (£50 A.Thornley
travel voucher maybe).

3rd Prize - Papillon Hairdressers to be asked.

Rules : Must be aged 17 years and over.
Must live on the Park.
Married or Single.

Handbills with application forms on to be done. BB
Ken and Jackie to help with copying the forms. KN/JW

13. CAR BOOT SALE - 31.5.87

14. SECONDS PARTIES

Brian made contact. We need to guarantee 100 to attend.
Admission 25 pence kept by us. 25% of takings is ours
(around £1000 takings). £5 raffle prize given by the
organisers and free raffle ticket given at door. Held 8.00
p.m. - 10.30 p.m. Wide range of clothing for
children/adults. 60% M&S seconds. Would give us £100 plus
entrance money = £125. Parties are held mainly on week-
days. We need to hold at Knaphill Community Centre (or
Woking Football Club). There is more parking at Knaphill
and it is easily walked to. A date in April should be
possible, preferably a Friday. Either the 3rd April (after
the Dash Draw) or the 10th.

15. EVENTS FOR MAY TIME

Need some new ideas - only 3 events in May : Bulbs, Miss GP
and Car Boot.

Skittles suggested - hire? We could buy in wine and cans and BS
run our own bar. Barbara to research. Possibly barbeque as
well.

Barbeque in July?

Filmed Horserace Nights?

Raft Race on Lake or Watersports? - Colin Grainger was CG
supposed to talk to the appropriate authority.

16. GOLDSWORTH GALA - 27.6.87

Ken to progress Schools Competition. KN

Mark Atkinson to report to the March Committee what Youth
Groups can take part.

The fairground rides man cannot attend the Gala. Barbara to chase Kellys - try and book Chairplane rides. There are no bouncers available. The large Bubblebounce is not available. Stalls - no rush to book as we can make this kind of thing. BS

1. Opening

The Chairman opened the meeting at 8.00pm and, in view of the volume of business to be transacted, asked for matters to be kept short and concise.

2. Minutes of the Previous Meeting

7) The Double Glazing firm should have read Crittals.
Subject to the above the minutes were agreed.

3. Matters Arising

3)11) Two bottles of wine have been purchased for the caretaker.

4. Chairman's Report / Correspondence - Peter Winter

a) Danny Breen:

11.1.87 letter received tendering his resignation from the Committee owing to pressure of work. The Chairman is to write and thank him for his previous assistance on the Park.

b) John Alexander:

In response to the Chairman's letter (refer item 8 previous minutes), a Copy letter was received from Councillor Edwards to J.A. reinforcing our views. Also copy correspondence from Councillor David Comens on same theme. There has now been significant progress here; meetings are to be held on a monthly basis to keep everyone informed.

c) Sponsorship:

Bridgers offered £3400 + 3 £50 additional sponsors.

Mann & Co offered £3400 + £500 sponsorship from Whiteman & Packer (solicitors). This latter offer was accepted and will appear in the newsletter from April onwards.

d) Mike Davies (Ideal Homes):

Letter dated 29 Jan re matters raised during the A.G.M.

- The land for the Church has been transferred to the Church on 27 January.
- He has spoken to John Burton re $\frac{1}{2}$ acre of land between the shopping area and the lake; this has been allocated for a Youth Centre.

e) Marston Road Wall:

Letter received 29 January from Cartland - Glover (planning & technical services department) advising that the individual responsible for vandalising the wall had been apprehended by the Police.

f) Community Centre Grant:

Letter dated 30 January from Surry County Council confirming the availability of the grant for £43000.

g) Car Boot Sales:

Letter dated 2 February from Healey & Baker provisionally agreeing all days for the sales; but could we write and confirm 1 month before each sale confirming that we were still going ahead.

h) Silversmiths Way - Garage:

Letter sent to Steve Dixon regarding the garage that we use for storage. Please refer item 10.

1) Peter Barrow:

Letter dated 9 February tendering his resignation owing to inability to attend meetings which clashed with office hours. He is still able to deliver newsletters and sell the raffle tickets for the 'Dash'. Also available at weekends for 'extra labour'.

5. Treasurer's Report - Colin Grainger

Statement of Financial Assets as at 31/1/87 showed a balance of £17436. January and February printers bills are still to pay. and we really need a balance of £18000 to provide us with sufficient cash flow after our contribution towards the Centre has been paid.

The Council still owe us £102 re bulb planting; Peter has chased.

We paid £200 in January owing to the cancellation of the hennight

£131.66 paid in respect of the license

£50 public liability insurance premium is due.

An Auditor was requested (free). Rose Greig suggested her father and Rachel Webb her husband. The Chairman preferred to appoint a wholly independent individual. Rachel will ask her husband to approach colleagues at his firm to assist us.

6. Social Sub - Committee Report - Brian Bailey

a) Jumble Sale:

Best ever; made £140.50 profit

b) Dash:

4 Teams had been out and reported that approx 50% of households were buying the tickets and £200 had been collected projecting the final amount at £2000. Arthur Harbour required help with his area if D. Breen could not assist following his resignation. Ken Nieman's success here was acknowledged.

c) Hennight:

50 Tickets sold therefore the function was cancelled cost of £200, but it could have been as much as £480 if the Chairman had not been so persuasive!

d) Valentine dance:

28 tickets sold. £125 will have to be paid to the band whatever the outcome. The Committee were asked to attend these functions to demonstrate their commitment to the Association. There will be a comment appearing in the newsletter concerning lack of support from members of the public. Assistance was required 3 to 3.30pm doors open at 8pm. Barbara is waiting on the final numbers before finalising the food arrangements. Was suggested we canvass people/knock on doors. Hopefully an article in The Review this week.

e) Stag night:

35/40 tickets sold. Not making a profit yet but ticking over. (at end of February)

f) Treasure hunt:

26 April. £3 per car. 2/2 1/2 hour tour round Surrey countryside; end up in hostel.

g) Spalding trip:

No further forward as meeting had been cancelled but no problem envisaged.

h) Clothing Party:

Ex Marks and Spencers clothes and towels sold cheaply. 25p admission and we get 10% of takings. Hope to collect £1000 on a good evening. 3 April provisional at Knaphill Community Centre. Secretary to take forward.

i) New Events:

A skittle evening and barbeque were in the offing. Barbara knew someone to contact re Horse race evening; these were usually hard work. Colin Grainger is to take forward a watersports event for June /July. Lots of ideas were requested from the Committee. John Sawtell suggested a

fishing match on the lake - after 16 June. Permission? (From Bob Bennett?)

£1 entry fee? Would be an all day effort.

Gary Baxter suggested a fun run. Woking Orbit organise one but usually do not make that much money. The Church held one recently.

i) Miss Goldsworth Park:

£1500 from Manns. They are not too concerned how we spend it but have stipulated that they put up the whole of the first prize (£300 cash). W&P to donate £200 towards the cost of staging the evening.

(For the Gala Mann will put up £300 and W&P £200. Mann will sponsor the fireworks at £400 and W&P the Xmas party at £500.)

Have applied for the centre halls for 29 May and the organist has been booked.

To be launched in the March Newsletter. Additional sponsors are required.

Rose is '90' certain of obtaining a £50 travel voucher from Hogg Robinson.

Problem finding the entertainment. Last year the dance troupe was pathetic. The Irish comedian was also weak. Have approached Wally Dent £100 single act. Do the Committee know of a good entertainer?

j) Gala:

Not too much success at the moment. Everything is booked/ not available already. Bouncy castles/rides, police and army, can't come. Guide dogs are uncertain. Minature trains not interested. Barbara is awaiting confirmation from the radio controlled cars. There may be a static display from ambulance, fire brigade.

Arthur is making steady progress re public address system.

The arena itself is full. We have a marching band and the youth contest. Outside it's pretty thin ; ideas were called for and also for the procession.

7) Newsletter Editor's Report - Brian Bailey

Ready for delivery; can we do so promptly please.

Further improvement in the layout this month; our events are delineated more clearly. A lot of interest from the advertisers at the moment. 1 or 2 of the 'bad debts' have paid up but still a couple outstanding.

8) Community Centre- Peter Winter

In response to The Chairman's letter(see 4b) The leisure Services Committee will meet monthly with us with the objective of answering any questions we may have. In our opinion many people have been misled; The architect asked for additional funds for the heating system but we now find that only individual gasfires will be installed, no central heating system, to keep the cost down.

The walls are to be plastered & emulsioned with spray fleck paint. False ceiling with recessed lighting (2.5m). The committee asked whether it could be raised; will be advised in due course.

The fire office has insisted on an additional fire exit. Gas heaters over the entrances may be installed.

Carpets: The Committee was asked to choose the colour carpet from a selection displayed by the Chairman. The carpet would be resistant to most types of stains. Also had to choose whether the carpet was to cover the whole area of the floor. If we did not like the selection in front of us we could choose an alternative subject to a price restriction of £9 a sq yard. (included in cost). After much discussion the Committee decided by 9 votes to 2 to carpet the whole area but purchase a portable dance floor at a later date if necessary. The colour pebble was chosen in preference to copper by 9 votes to 2.

Walls: The colour will be chosen at a later date.

Power Points: The Committee were asked to choose the number and location of power points for the lounge, snug bar and office. Cable loading was important and we wanted to incur no extra cost here. It was decided that 6,2,2 double sockets respectively should be fitted but reduce to 4,2,2, if this could reduce the cost. Peter and Brian are to investigate the question of T.V. points

and cables. There will be one telephone in the Council manager's office. We might be able to get a spur but, again, no extra cost is wanted. A payphone is different altogether.

Ceremony: The Mayor will be digging the first sod at 11am on 14/2/87. We are all invited to attend. Press will be contacted and Councillors informed. It is not known where the shovel will be obtained from. Miss Goldsworth Park is to be contacted.

Licensing application: Granted. However they would not modify the conditions previously discussed. In view of the prevarication of the bench we have incurred hefty legal expenses. John Alexander supported us here.

9) Membership - Steve Dixon

Of the 7/800 letters sent out only 30 have rejoined, barely covering our costs. We have 450 adult members, 250 senior citizens, 166 children, 430 households. After much discussion it was decided to allow new memberships to run to June 1988 (if joined between now and June). Existing memberships to be renewed in June 1987 to June 1988. Same fees as last year. The tear off slip is to be relocated to the bottom rather than the middle of a newsletter page. There is no limit to the membership of the Centre nor do we have to maintain a minimum membership of the Association in view of the grant from the County Council. Charity Commissioners may insist on a separate membership of the Centre to the Association itself. Golden membership is being dropped.

10) Any other business

a) Drop in Centre:

Meeting at the Council last Monday attended by The Chairman, Andy Knowles, and Chris Edwards. The money is available as soon as we can negotiate a plot of land. A.K. advised they were not now building a Church Hall due to lack of funds and a portion of his site was now surplus to requirements (in the short term.)

b) Furniture:

Arthur advised there was a surplus of tables and chairs etc in London classrooms. In good condition. The Chairman is to find a contact in ILEA re purchasing these for the Centre.

c) A possible new Committee Member has been identified by Barbara and Cathy.

d) Jenny Warner would like to buy a brick.

e) Silversmiths Way garage:

The Committee agreed to meet the 1987/1988 rates bill (£18?) following receipt of a long letter from Mrs Prime (refer 4h). Barbara will arrange for her gutters to be cleared.

f) Previous Minutes:

Chris Edwards advised that we required a license for carol singing outside Waitrose. However this had already been granted for 1987. The letter re the speed limits - deadline has been extended and we can still make representations. The overhanging vegetation outside Waitrose is to be cleared by the Council.

The meeting was closed at 10.00pm

This is in the Newsletter this week. It is usually a popular event. Price £3.00.

10. SPALDING BULB FESTIVAL - 9.5.87

The meeting between Gilham and BB/PW was postponed but a verbal conversation established that there was no profit in this method of arranging coach trips for us. If we can fill a coach ourselves, we do not need Gilham Associates. A discussion with Waitrose re. joint coach trips between them and GPCA will be held. It would be preferable to organise our own joint venture to Alton Towers or somewhere with Waitrose although we are limited to Sunday outings because Waitrose work Saturdays. There is no time to organise the Spalding trip now so it will have to be shelved.

Sperrings Supermarket has a community noticeboard on which we can advertise our events. Rose to post notices.

Jackie will draft a questionnaire for a random survey of what people on the Park would actually like to see as events, what they are willing to pay, etc. Waitrose to be asked if we could have a box set up just inside the entrance where questionnaires can be returned (as well as in NSS and via nearest committee member).

JW

PW/BB?

It was suggested that committee members should be made responsible for selling a certain number of tickets for events - this was not met with much enthusiasm and is unlikely to work.

It was also suggested that 2 committee members at a time take a turn at Waitrose in the evening or Saturday on a rotation basis whereby a turn comes round only once every 6 months or so) to sell and promote that month's events, ie. selling raffle tickets etc. This will be discussed at the Main Committee Meeting.

d)Guardian Housing Association:

Further to a suggestion from Ted Pharo the above organisation has been approached for a donation to our funds. An acknowledgement has been received and the final decision is awaited.

6.Treasurer's Report - Colin Grainger

a)Receipts / Payments Statement:

Miscellaneous £102.70 in respect of bulb grant from Council. Grand Draw means the Raffle Tickets. Valentine Dance made a disappointing £5 profit. The Stag Night made £73.57

b)Statement of Financial Assets:

£17907.50 as at 28.02.87. It is estimated that we will have a working balance of approx £1100 after the £17000 has been paid over. We can survive but the next few months are always tight on cash flow. A large presentation cheque has been ordered from Barclays.

c)Miscellaneous:

Jim Lane wished to know to what extent the raffle proceeds had been taken into account. Only a proportion so far; more monies were to come and be recorded.

We are expecting an invoice from our solicitor which will exacerbate matters.

7.Social Sub-Committee Report - Brian Bailey

a)Valentine Dance:

The marginal profit of £5 was from the raffle. 38 people attended for whom it was a good evening but atmosphere was lacking.

b)Stag Night:

102 attended; the profit was again due to the raffle. Slight disturbance at the end of the evening but it was contained. Reference was made to the absence of Committee members from the event although Jim Lane advised that he had 3 potential 'bouncers' who were not called upon to attend.

c)Jumble Sale:

This Saturday. Various members of the Committee had jumble to collect/ provide. An advert has been placed in the local paper. Assistance was required 7-9pm Friday, 10am Saturday and 1pm onwards. h)Clothing Sale:

The clothes on sale are discontinued lines etc and are not seconds or soiled. 3 or 4 people are required on the night to help sell tickets, and tidy up at the end. Rachel is organising the tickets and John Sawtell the posters. No coffee was to be sold in view of the possibility of spillages.

i)Dash For The Centre: - Ken Nieman

contd.....3

The draw will take place on April 3rd in Fine Fare. A big thankyou was extended to everyone; the hit rate was better than expected but we are running out of time. The original costs of £370 were now believed to have been overstated by approximately £70.

The time of the draw is to be decided; we will sell tickets for 1/1½ hrs on the night and the draw will hopefully be made by Miss Goldsworth Park. A photographer may be present.

We have grossed £750/800 so far and 1200 books are still to be sold. We have a space to sell tickets at the store on 20 March 6-8pm and volunteers were obtained to man the stall. They will provide a table and we will arrange a display and banner.

Not all the Park was scheduled to be covered and extra quotas could be provided if people had the time.

Money and counterfoils were requested to be returned at regular intervals and all the stubs of one book should be completed. Ken is away for the two weeks preceeding the draw. The Chairman thanked Ken for his efforts here.

j)Treasure Hunt:

Will be advertised in this week's newsletter.

k)Spalding Trip:

Cancelled because of organisational difficulties.

l)Miss Goldsworth Park:

To be launched in this month's newsletter. Ideal Homes wish to be involved somehow. A free main entertainer was still required for the evening. Only expenditure so far had been on the hire of the Centre Halls (£104), Organist (£45) and a dancing Troupe (£10). A free entertainer would probably not be feasible and after some discussion it was decided to spend £100 of our own money on recruiting a comedian from Wally Dent. We had £40 remaining from our sponsors.

m)Fireworks:

A brochure had been received from Paynes. If we order before June we get a discount. The Chairman will write to the Head of Beaufort school requesting their fields for the event.

n)Fishing Competition:

Bob Bennet, (bailiff) was happy for the event to take place in July or August.

o)Gala:

Response by the schools to the inter schools competition had been guarded so far. Mark Atkinson had approached various organisations (Guides, Church, Scouts) re forming mixed teams of 5/6 members; he had had a positive response. It was agreed Mark would liaise with Brian to arrange a series of short, sharp events to be slotted in at various times lasting approx. one hour. (Sythwood school were quite interested.)

We were desperately short of stalls for the outside of the arena. Rosemary Erskine suggested issuing booking forms and collecting deposits to guard against stalls not actually turning up on the day. Three rates would apply; commercial, charity and other. Jackie Wilsher is to take it forward. Fairground rides were required.

p)Questionnaire:

Jackie had produced a form asking the residents what they wanted from the Association at what price. These were to be sent out shortly. There is no opportunity from this form for actual membership.

q)Social Committee:

Brian proposed that the Committee do not hold any further social events in addition to those already being planned for the duration of this Committee. We were getting only minimal support which did not seem worth the effort.

Jim Lane questioned the need for a negative approach. After considerable debate it was decided to await the response to the questionnaire and take the matter forward then.

contd.....4

Ken Nieman left the meeting at 10.08pm.

Newsletter Editor's Report - Brian Bailey

Advertising rates were going up by £1 to £10 per inch from May to cover our costs. The front page photo in this month's issue did not cost much extra; any other photos were requested for future editions.

9. Community Centre - Peter Winter

Nothing has happened since the digging of the sod on the 14 February. We await a reply from the architects re the decisions we made last month. Ted Pharo advised that drilling would probably start on Monday. Terms of membership of the social club were to be considered by Rob Cook and the rules of the Committee.

10. Membership - Steve Dixon

A full page of membership matters was to be included in next month's issue which Brian said he could accommodate by reducing the adverts and social commentaries. A regular membership application form of less than $\frac{1}{2}$ page would appear in future issues. Brian Bailey suggested changing 'our' to 'your' Community Centre.

Ted Pharo had supplied Steve with a list of senior citizen members for Steve to check and then forward onto the secretary for typing.

Mrs Broomfield of Knightswood, a widowed senior citizen, had offered to join and to help us.

11. Any Other Business

a) Gateway:

Ideal Homes are to buy land back from Woking Borough Council and obtain planning permission to build a gateway at the Parley Drive entrance. A sketch of the plans was shown to the Committee.

b) Committee:

Rachel is to provide a typed list of the names, addresses and telephone numbers of the Committee to everyone at the next meeting.

Fellow Residents,

MEMBERSHIP

We've only just begun

Yes, after twelve years, the Community Centre, OUR Community Centre, is finally rising from the ground and is scheduled to be finished very early in 1988.

As you know, the Community Association has already raised a considerable sum so that OUR building may commence but the expenditure hasn't stopped. The initial outlay will only buy the shell of the building and we shall need to buy everything to go in it, right down to the last cushion!

You can help

By becoming a member of the Community Association, you not only show your support for the Committee's efforts, but you also help to contribute, through the small membership fee, towards OUR Community Centre.

Being a member of the Association is terrific value. With your membership card, you can obtain discounts of 5% (sometimes more) in many local shops and businesses in Knaphill, Horsell and St Johns and a list will be sent to you when you join. Even with the smallest discount of 5%, you don't have to spend much during the duration of membership (which will run until 30th June 1988) to more than save the cost of joining! What's more, it's not only in shops that you can save because most GPCA social events offer a reduced charge for members - watch the Newsletter for details. There's a prize draw every month too!

Membership costs just £1.50 per adult, £3.50 for family (2 adults and all children under 16) and 75p for Senior Citizens. Those of you who are currently members will hold membership cards stamped 1986/87 in the top right-hand corner. These expire on the 30th June 1987 so you can re-join at any time between now and then.

To join, just complete the slip below and pop it in an envelope with your remittance and either:

- a) Post it in the GPCA postbox which is by the Video Section in NSS Newsagents, or,
 - b) Post it to me at 24 Paddocks Mead, Woking, Surrey, GU21 3QW.
- If you are passing drop it through my door if you like but please don't knock.

Please make cheques payable to the Goldsworth Park Community Association. Your membership cards and discount lists will be delivered to you.

Thank you.

Steve Dixon

Present: P. Winter
B. Bailey
R. Greig
B. Springall
K. Nieman

Apologies: C. Taylor

Action

1. JUMBLE SALE - 14.3.87

£105 profit made - not as good as usual. The "pilferer" has been dealt with.

2. CAR BOOT - 15.3.87 AT WAITROSE

Barbara did the refreshments but the Waitrose event was not well supported. £10 profit was made by Barbara for the Association.

3. HEN NIGHT - 20.3.87

£80 profit made including the raffle.

4. CAR BOOT - 29.3.87

£460-£480 profit made. This was a good event, well worth running. Not quite so many people were buying, but a good number of stallholders. This may have been due to a clash with Mother's Day.

5. DISCO - 21.3.87

Cancelled due to lack of support.

6. CLOTHING SALE - 3.4.87

We lost £15 on this event (mainly due to hall cost of £30). 66 people showed up (80 tickets were sold). The standard of goods was not very high.

7. DASH FOR THE CENTRE - 3.4.87

The dash was won by Mrs. Woodcock of 24 Ellesdon Close. She will be taking the voucher for £200 and does not want any publicity. A profit of £1,320 was made.

The Chairman offered the Committee's thanks to Ken Nieman for his initiative and hard work involved in organising this event.

One helper managed to sell 99 books of tickets in 48 hours.
Ken will write to him to thank him for his efforts.

KN

A picture of the draw will be in the Review on Wednesday 8th April.

Tickets : 100 tickets will cost £20 for printing.

The posters need to be eye-catching and we may need to get them properly printed. Brian to make up poster and obtain a typesetting cost.

BB

We only need to sell about 50 tickets to break event. Need to do lots of publicity in the Review etc. for the event. Jackie to send Newsletter out on the Publicity Cycle.

15 cars booked already so far.

12. FIREWORKS DISPLAY - 7.11.87

Brian or Ken to sort out the site. Ken is not able to discuss this with the PTA so we should write to the school to enquire about the site. Mrs. Skitt is the contact for Beaufort Middle school. Brian to write and enquire asking either to use the site for a firework display only, or fireworks and bonfire. We do need a bonfire to extend the evening.

BB

BB/PW/KN

13. CHRISTMAS PARTIES - 12.12.87

To be held on Saturday 12th December : Childrens and Senior Citizens parties on the same day. We need to sort out the hall with the school so it does not clash with pantomimes and scenery.

Beer Licence : The Friends of Sythwood School have offered to run a Beer Tent for "a donation" - needs clarification. They should provide the "bodies" for the event. It means less work for us so they will be allowed to run it. Brian still has to get the licence. BB

Toy Tombola : in hand. BS

This event is to go in the next Newsletter. BS

Sea Cadets : Brian has written to them, but no reply as yet. BB

Pram/Trolley Race : Mark Atkinson to organise. BB

suggest wet sponges instead). We agree to his suggestions
and will let him get the events organised.

We need to organise the under 11s events : egg and spoon
race etc. Mark will run this if we need him to, but he
cannot raise under-11s teams.

GOLDSWORTH PARK COMMUNITY ASSOCIATION

MINUTES OF THE MEETING HELD ON TUESDAY 14TH APRIL 1987

AT THE SOCIAL CENTRE LAKEVIEW GOLDSWORTH PARK

Present: P.WINTER, B.BAILEY, C.GRAINGER, R.WEBB, S.DIXON, R.GREIG, J.SAWTELL,
E.PHARO, J.WILSHER.

Attending: Cyril Bunce - Goldsworth Park Resident
Martin Hall - " " "

Apologies for absence : R. Erskine, C.Taylor, Jim Lane, Jenny Lane.

1. Opening

The Chairman opened the meeting at 8.02pm.

2. Minutes of the Previous Meeting

John Sawtell had sent his apologies for not attending the last meeting which was acknowledged.

Subject to the above the minutes were agreed.

3. Matters Arising

5a) Rachel Webb emphasised that the newsletters from Ken Baldry had been addressed to her as secretary of the Association and therefore were mentioned to the Committee out of courtesy

5d) The Guardian Housing Association has mislaid the correspondence; copies have been sent and a reply is awaited.

4. Chairman's Report / Correspondence - Peter Winter

a) Community Centre:

Please refer paragraph 8.

b) Gary Baxter:

has resigned from the Committee owing to lack of time. He is able to continue delivering his quota of newsletters.

c) Estate Agents' Boards:

Letter received from Mr. Gough, 61 Kenton Way, expressing his concern at the abuse of these boards, pinned to trees, fences etc. Councillor John Covus used to take an active interest in this subject and the Chairman is to approach our other Councillors to press Mr. Cartland - Glover to enforce the regulations.

d) Drop-in Centre:

Progressing slowly; meetings in April. It is intended to move forward in stages to September 1987 when a site can be appointed and can be used shortly afterwards.

e) North West Surrey Community Health Council:

letter and copy of the latest annual report was received which makes interesting reading. They are offering the services of one of their members to attend a meeting to inform us of their aims and objectives for Community health. Please refer item 8.

5. Treasurer's Report - Colin Grainger

£17000 has been sent to the Council and we will therefore lose Bank interest. This apart a profit of £1800 for the month was recorded. (to 31 March 1987.)

We have nothing to show in the accounts for the £17000 ie. our auditor may have difficulty formulating a balance sheet. Rob Cook will look into it. A formal receipt was requested from the Council and in return we received a stamped copy of our letter.

An open cheque is to be sent to Fine Fare as we are not sure who it should be payable to.

Financial assets stood at £2706.95 due mainly to the raffle which is very pleasing.

6. Social Sub - Committee Report - Brian Bailey

a) March Events:

Jumble sale profit £105. Waitrose car boot sale £10 (Catering, 25 cars). Hen night £80(affle : we broke even on tickets). Car boot was a sell out. Disco was cancelled.

The clothing party lost £15. The standard of goods was considered poorer than at previous events Brian had attended. The proprietor's attitude was surly, probably due to the lower than expected attendance and alot of people were late. 80 tickets were sold and commission of £15 was earned.

b) Dash for the Centre:

The winning ticket was purchased by Mrs Woodcock of Elsdon Road, a senior citizen with 2 replacement hips, also a member. She was reluctant to have her photograph taken and chose the £200 voucher prize; we have therefore lost some publicity here. However we estimate a profit of £1320 was made which exceeded our target of £1000. All helpers were thanked for their hard work and especially Ken and his wife.

c) Treasure Hunt 26 April:

Sold out; 26 cars booked. There is a reserve list but empty at present.

d) Miss Goldsworth Park:

So far, 3 definite entries, 1 enquiry and, hopefully, 3 entrants from Waitrose.

Hogg Robinson are definitely to provide 2nd prize of a £50 travel voucher. The winner and runner up are to receive bouquets from Forget-me-not at Knaphill. Photos by the Woking Review.

Barbara is to chase up the beauty treatment as a possible prize.

The previous choice for the top of the bill comedian is not suitable owing to the content of some jokes and the expected mixed ages in the audience. The singer we had in mind has gone to America on a 3 month tour. Tracey Lee will sing for us, 2 20 min cabaret spots at a cost of £80; inside our £100 allocation and we still have £40 sponsorship money.

Tickets £2 to be printed on card rather than paper. During a discussion with the Mayor it was suggested that people would view a reasonably priced event at the Centre Halls with suspicion; however it was decided to keep the charge low for this year. In answer to a question by Rachel Webb the Committee was advised that the income from the increased charges would be taken straight to profits rather than spending more on the event.

A well presented poster in type-set was being arranged.

Steve Dixon suggested leaflet drop in selected areas; it was decided to postpone this until next year.

Martin Hall suggested that the scheme was chauvinistic; Brian advised that the evening was referred to as the 'Friday Spectacular'.

The Judges will be representatives from Mann & Co, Hogg Robinson, Florists, Whiteman & Packer and the Woking Review.

The donation from NSS is this year coming direct from Head Office and not the shop itself.

The event will be professionally videoed.

e) Car Boot - May:

15 cars booked already.

f) Firework display: Ken Nieman has been unable to get an answer from Beaufort school re use of their playing fields. Brian has written but remains sceptical. The lake was suggested as an alternative site but was rejected in view of difficulty in controlling access and uneven ground. Other sites were discussed but considered not suitable for a bonfire.

Suggestions were required for extending the evening in the event that only the display would go ahead; a small barbecue was usually provided and a funfare was thought difficult to provide in view of safety considerations.

g) Christmas party:

No date has yet been confirmed as school events have not been finalised.

The senior citizens party will take place in December rather than September as there will be a better atmosphere; may take place at same time as the children's party.

h) Stag night:

Ken Nieman has suggested a "super stag night" costing about £30. Would include a coach trip to London, Raymond's review bar, meal and casino; aiming for 12 people. To be accurately priced and then advertised.

i) Questionnaire:

1000 are being printed. John Sawtell suggested that the forms be numbered to ascertain which area sends back the most replies. Or, as an incentive, the winning number drawn from those returned receives a prize. Martin Hall suggested that perhaps only 100 should be printed and committee members take a door to door canvass.

j) Gala:

Brian may have a bouncy castle. Martin Hall gets them from Kenny's.

Friends of Sythwood school will run a beer tent for a donation. A drinks licence is being applied for.

We require prizes for the Gala draw. Colin Grainger has obtained £50 sponsorship from his employers; Rachel Webb is to approach her employers as is Rose Greig.

Barbara Springall is seeking sponsorship for the baby contests from Moss Baby shop. Barbara is also making a crazy golf set and requires guttering, pipes, and bits of wood.

Last year we charged 40p entrance fee, 20p children and senior citizens. In the light of comments received last year we are to charge 50p for adults this time and children and senior citizens are to be allowed in free. Stall holders will be charged £5, £7.50, £10 for advertising, non-commercial fund raisers and commercial stalls. Martin Hall advised that a charge of £15 commercial, £7.50 others was possible.

The 2 Beaufort schools were reluctant to take part in the youth events owing to difficulty re supervision. As Mark Atkinson works mainly with 11-18 year olds the events will consist of activities for this age group. There may be some impromptu events for the younger children on the day.

Martin Hall suggested obtaining sponsorship from local businesses in a programme; It was thought this would not be as successful with ourselves compared with the response usually received by schools. Martin will suggest some of his contacts to us so that it may be investigated further.

7. Newsletter Editor's Report - Brian Bailey

The newsletter is one page thicker this month owing to the special membership article. However it worked out quite cheap as a full sponsorship was obtained for the reverse page and cheaper paper was used for that one page.

Extra deliverers were required for this month only for the Oakfield and Knightswood areas; Steve Dixon and Rachel Webb volunteered.

8. Community Centre - Peter Winter

a) Building:

Little progress to date as concrete had to be left for 3 weeks but it is now in full flow. There have been no further meetings with the Council on the subject although a provisional date of 30 April has been agreed. The minutes of the earlier meeting have just been received.

b) Community Health Council:

The Committee agreed that a meeting would be useful and a representative will be invited to a monthly Committee meeting and then perhaps to the A.G.M. A subsequent report in a newsletter was suggested.

9. Membership - Steve Dixon

The lucky number had been claimed this month, the prize being a bottle of wine. 3 Membership forms were handed to Steve from Ted.

10. Any Other Business

a) Notice Board:

Ted Pharo reported that the paper in front of the pillar box in the centre needs replacing.

b) Cold aid Plan:

Ted had obtained additional information on the plan following the publication of a report in the paper. He requested authority from the Committee to liaise with the Council in obtaining further information and in implementing the plan. The Chairman agreed that we should assist here and will take this matter forward in greater detail next month.

c) Advertising notices:

The Chairman commented that there were many out of date notices around the park. Martin advised that they had already been warned by the Council that it is illegal to advertise private events on the Public Highway. The Chairman requested that local organisations remove their notices promptly after the event.

d) Ideal Homes Board:

This board was to have been sited at the roundabout off Robin Hood road; it is much too big and heavy for us to deal with and we are going to have to make one.

e) Daffodils:

planted earlier this year are now in flower. The map detailing the locations is awaited from Jenny.

f) Cyril Bunce:

has been elected onto the Committee.

g) Children's Sub - Committee:

suggested By Martin Hall as events involving children usually attracted their parents along and attracted a more sympathetic response from local businesses / sponsors. Brian considered the work load would be too light.

h) Summer school:

Councillor John Covus undertook last summer to investigate the inclusion of the recreation area of the Park in the summer school projects that take place in and around Woking. A progress report is awaited.

1) GYLD:

County Coucillor John Goman Smith has written to Brian concerning the hands-across-the-park event.

j) Drinks licence:

Aprovisional license has been granted which must be ratified by 5 February 1988. The building will not be completed then and Brian will take this anomaly forward with Rob Cook's assistance.

k) Community Associations:

Ted Pharo asked whether there were other Community groups in the Woking area which could assist us. The Chairman responded that our Association appears to receive more publicity than the others and we have had informal discussions in the past.

1) ILEA:

Rachel Webb asked what progress had been made regarding the purchase of furniture. The Chairman advised that he would only rely on this as a fall back in the event that new items could not be purchased in view of lack of funds.

The meeting was closed at 10.15pm

MINUTES OF THE MEETING HELD ON THURSDAY 12TH MAY 1987

AT THE SOCIAL CENTRE LAKEVIEW GOLDSWORTH PARK

Present: P.Winter, B.Bailey, C.Grainger, R.Webb, S.Dixon, A.Harbour, Jenny Lane, J.Sawtell, E.Pharo, C.Bunce.

Attending: Martin Hall - Goldsworth Park Resident

Apologies for absence : C.Taylor, B.Springall, J.Wilsher, R. Erskine, Jim Lane.

1. Opening

The Chairman opened the meeting at 8.00pm and offered congratulations to Colin and Lynn Grainger on the birth of their first child.

2. Minutes of the previous meeting

6d) paragraph 7; for year, read month.

Subject to the above the minutes were agreed.

3. Matters arising

10h) Jenny Lane handed a copy letter to the secretary, from Jim Lane to John Alexander, Director of leisure services.

The Chairman advised that there would not be any ^{play} schools on the Park this summer owing to the building of the Community Centre.

4. Chairman's Report / Correspondence - Peter Winter

a) Congratulations:

were offered to Jim Lane and Rosemary Erskine on their successes in the recent Local Council Elections.

b) Phil Burke:

has settled in well in Tasmania and wishes us all well. Enclosed were letters to P.B from John Frisby. The Chairman will reply.

c) Community Health Council:

Letter dd 9.6.87 from Mrs Anne French, secretary to CHC confirming that a rep will come to a meeting and talk at 8.00pm as the first item. Happy to extend chat at AGM.

d) Estate Agents' Boards:

Copy letter dd 9.5.87 from Chris Edwards to Cartland-Glover. Suggests introducing fines for the return of the boards.

Ted Pharo asked if the Council were responsible for the removal of discarded boards. The Chairman answered in the negative.

e) Guardian Housing Association:

The Secretary read out a letter from GHA declining to donate to our funds owing to substantial commitments of their own.

5. Treasurer's Report - Colin Grainger

The accounts for the month ended 30.4.87 were submitted to the Committee.

6. Social Sub - Committee Report - Brian Bailey

a) Treasure Hunt:

Excellent event; 24 cars took part and Steve Dixon came second. Thanks to Ken Neman for organising the route; 2 people had volunteered to set up next year's route.

b) Car Boot 31.6.87:

Approx. 30 bookings taken. The Council had begun to remove

some advertising posters. Help was required from 8.30 onwards. We would not have a stall ourselves, all bric-a-brac we had would be sold at the Gala. We were reducing our advertising bill by not extending so far out eg Farnham.

c) Best Front Garden:

in conjunction with the Allotment Society. Slips of paper to be delivered to selected gardens automatically entering them. The prize of a Rose Bowl has been donated by Ideal Homes. Rachel Webb and Simmy Lowe will be the coordinators and judges.

d) Christmas Party:

12.12.87 provisional date. Have written to Sythwood school requesting confirmation.

e) Firework Party:

alternative site not found. We have to decide by the next social committee meeting whether to go ahead with just a firework display to obtain a discount. Will have to be more upmarket than before. The site at Sythwood will probably have to be altered slightly owing to the building works.

f) Questionnaire:

50 out of 1000 received. Popular events listed were; coach trips, dances, barbecue, sports activities, skittles and fun runs. Youngsters events listed as popular. Most popular price, £2/£3 range. It appears that we do hold most of the above events but were poorly attended.

Martin Hall suggested 2 sub-committees to deal specifically with youth and senior citizen activities. Also suggested Windsor safari and Thorpe Park as venues for trips. Rachel suggested Ascot Vineyards although it could be rather expensive.

Jenny Lane advised that parents were perhaps more responsive if their children were taken completely off their hands. Brian wondered if we could be able to provide enough supervisors, 1 per 6 children, either ourselves or with the help of older children. Jenny will also ask some old people where they wish to go on a coach trip, and what price range.

Ted Pharo was acquainted with a resident of Halleys Court who drives a special coach for WAVS for disabled people.

Martin could obtain a disco for us for £25. Also suggested that the next questionnaire should be a sample of, say, 6 houses from selected streets.

g) Parbeque:

Rachel Webb is to confirm with David Comens 4 July for a bbq at the Robin Hood. £4.50 fee. John Sawtell raised the real danger of children climbing through the fence onto the busy road.

h) Miss Goldsworth Park:

3 entrants only; Waitrose girls not interested. Brian will reorganise the evening to accommodate low numbers. Martin Hall suggested a young Miss GP contest; we are unable due to lack of funds.

Steve Dixon suggested a leaflet drop in 1/2 bedroom house areas. Brian agreed to take this forward. Help was required from 6.45 pm onwards.

i) Gala:

Rose Greig can obtain speakers for us for £250/£280. Martin hires them for £35 a time; will provide details.

Have agreed a split of the profits with Sythwood PTA re the beer tent. Moss chemists have yet to confirm sponsorship of a Beautiful Baby / Glamorous Granny contest. We have an orange drinks dispenser from Mac Donalds for free.

Queen Elizabeth disabled training college at Leatherhead will provide a package for the day. Details will be provided at a later date. Martin has found a bouncy castle. County Sound Special Events Unit will be there. Wadham Stringers will provide the raffle prize.

Too late to get a programme out as we are short on manpower; a programme has to be self supporting. Alleys Court residents may make cakes for the Gala.

Help is required for 1 hour on the Friday evening and 8am onwards Saturday morning.

7. Newsletter Editor's Report - Brian Bailey

We appeared to be short on newsletters last month and perhaps some deliverers were provided with more than required.

Also short on space as we have many advertisements, some quite large.

John Sawtell asked for an article in next month's Chairman's Report about the noisy party in Cardingham recently.

8. Community Centre - Peter Winter

Shape of the building is in the ground. 2/3 weeks behind schedule.

A notice board is being erected advising passers by what is going on.

We will have to have ordinary tiles in the bar area rather than quarry tiles.

At the meeting with Council Officers on 30 April we insisted on a management committee being formed immediately to meet within the next 3/4 weeks. The next meeting with the Officers will take place in middle of May.

9. Membership - Steve Nixon

20 replies received so far. Cyril Bunce suggested that we should call on people when their membership is due.

10. Any Other Business

a) Footpath at Parley Drive:

The path that has recently been completed is considered dangerous and does not conform to planning requirements; the relevant application has been lost in the Council offices. Local residents are angry at the above and also the waste of Ratepayer's money.

The Chairman was involved in the footpath saga some 3 years ago when he lived locally and the residents had asked him to support their protests. Pat Brierly, ex Councillor is denying all knowledge of involvement and Cartland-Glover denies it is a safety hazard; thus angering the residents further. Councillor Jim Lane has already promised to take the matter up on resident's behalf but they are sceptical owing to PB's present denial.

After discussion the Committee decided to support the residents protests re the safety hazard by putting our name forward but if any other assistance is required The Chairman will return to the Committee.

b) Daffodils:

Jenny Lane handed the Council maps to the Chairman.

c) Cold Aid Plan:

In answer to a question from Ted Pharo, The Chairman advised he had no further information.

d) Rubbish:

Ted requested whether we could take any action to prevent people depositing rubbish illegally in the Cardingham area. The Chairman advised that the Councillors should be contacted to arrange for the rubbish to be removed and Bob Bennett could take action in respect of the criminal element.

e) Illegal traffic:

Pat Bennett should also be advised about the illegal traffic on

contd.....4

the pathway between Bainton Head and Waitrose.

The meeting was closed at 10.21pm

GPCA SOCIAL COMMITTEEMINUTES OF MEETING HELD ON 7TH JULY 1987

Present: B. Bailey
P. Winter
R. Greig
C. Taylor
K. Nieman
J. Wilsher

Apologies: B. Springall

1. BARBEQUE - 4.7.87.

A profit of £123 was made (£97 barbeque, £18 raffle, £8 hoopla). Sold around 140 tickets and a good evening was had by all.

2. CAR BOOT SALE - 19.7.87

Need to unload the garage contents because we are losing the garage back to the owner so we have no storage space. We need helpers for this event; sort out at Main Meeting on 14.7.87.

3. BEST FRONT GARDEN COMPETITION - 27.7.87.

~~Date is confirmed for 12th December.~~

4. CAR RALLY - 6.9.87

A new route setter has been acquired and the event has been mentioned in the Newsletter.

5. CAR BOOT SALE - 27.9.87

6. JUMBLE SALE - 17.10.87

7. GOLDSWORTH GALA - HELD ON 27.6.87

A profit of £700-£800 was made. No official figures are available from the Treasurer as yet. A good day was had, but possibly too much occurring in the arena.

The sound system pole needs to be taken back to Fleet - Jackie to arrange (needs address of Company and telephone number - Brian to provide?)

JW

More bunting needs to be available next year; we also need to look at some new game stalls for next year as some of ours are rather old. Perhaps we should consider a new site which is larger, or consider the Community Centre next year as the focal point.

Need to do work on the gala starting sooner in the year in order to get our names on various organisations lists; we need to be a little more professional in our approach to the organisation of the gala and perhaps start organising in September. We need to get more contacts for stalls, attractions etc., and think about programme sales etc. We need to capitalise on the good progress made so far.

8. DANCE - 10.10.87
9. STAG NIGHT - 23.10.87
10. FIREWORKS NIGHT - 7.11.87

There is a problem holding the display at Sythwood. Beaufort have offered their field instead, and use of their building - this may be a better site anyway. Perhaps we can put game stalls on the hardstanding at the back of the building to extend the evening.

11. ANNUAL GENERAL MEETING - 20.11.87
12. HEN NIGHT - 27.11.87
13. CHRISTMAS PARTIES - 12.12.87
14. SKI-ING EVENING - POSSIBLY 19.9.87?

ANY OTHER BUSINESS

Ken is to distribute the Newsletters next month in Brian's absence.

KN

Future ideas for possible events are:-

Skittles
Bingo
Dry Ski-Ing

Jackie to write to Television Companies to see if we can obtain tickets to participate as part of the audience in one or two shows. Will write to London Weekend at Southbank, Thames TV and the BBC at Shepherds Bush. Will ask to be kept informed of dates of recording of shows and whether they will provide a number of tickets to charitable organisations such as ourselves.

GOLDSWORTH PARK COMMUNITY ASSOCIATION

MINUTES OF THE MEETING HELD ON TUESDAY 14TH JULY 1987

AT THE SOCIAL CENTRE LAKEVIEW GOLDSWORTH PARK

Present: P.Winter, E.B.iley, B.Webb, A.Harbour, R.Greig, C.Taylor, Jenny Lane,
A.Sentell, P.Warne, J.Wilcher, C.Bunce.

1. Opening

The Chairman opened the meeting at 8.00pm. Solicitor Rob Cook was welcomed to the meeting and after 9 was discussed first.

9. Community Centre

The Centre is expected to be ready in March 1988; if we start trading then ie managing the bar we will destroy our Charitable status. A separate social club needs to be formed.

A registered club under the licensing Act is not applicable as we would share the profits with W.F.C, the concessionaires. An Unregistered, unincorporated club with simple rules is a possibility. An officer of a club registered under a frindly society could be personally liable in some circumstances.

A separate membership would imply more work and admin for the Committee.

We have permission from W.F.C. under the lease to leaseback the bar to the Social Club. However the Charity Commissioners are cracking down on such arrangements insisting that a fair market rent is charged to Social Clubs. This would involve an assessment by a Chartered Surveyor.

The Association will have to decide whether whole or part of the occupied premises is to be **leased**; if the former we would wish to retain the right to use the Committee rooms etc at mutually agreed times. The arrangement would mean that the Club would organise all the 'trading events' and pass all the profits to the Charity.

P.W highlighted the dangers of power slipping away from the Association to the club. R.C confirmed it was possible to draw up rules to help prevent this.

There is a clause in the lease allowing us to wind up the club after 2 years or pass a special resolution to become a registered club.

In answer to a question from P.W, R.C confirmed it would be possible to allow only members of the Association to become members of the club.

The Committee approved the principle of leaseback with power being retained by the Charity.

E.B asked what the contractual completion date of the building agreement was; it was believed that some test jobs werenot done prior to this date despite assurances. R.C confirmed he would look into this and left the meeting at 8.35pm.

2. Minutes of the previous meeting

The minutes were agreed

3. Matters arising

It transpired after last month's meeting that Tess Farlow will not be delivering in the Knightswood area.

4. Chairman's Report and Correspondence - Peter Winter

a) NW Surrey Community Health Council:

The speaker due to attend last month's meeting could not find the centre. An alternative date will be arranged.

b) Dogs:

Dogs within 3 metres of a public highway is not within the present legal framework re dogs fouling footpaths. The Chairman had received a letter from the Council requesting his observations regarding the problem on the Park by mid August.

The problem of the cars parking off Lockfield drive, damaging the grass verges, was discussed. It was decided that if nothing could be done about this by any usual means, a letter should be written to the Superintendent of Parking Police.

C.F. mentioned that dogs were fouling her garden; if possible the case should be pursued as a civil trespass as this was outside the scope of the present investigations by the Council.

c) CYLD:

Their A.G.M. is tomorrow at 7pm. Jenny Lane hopes to attend as our representative.

d) Charity Boards:

The Chairman referred to local press reports regarding the anomalies of the Council's treatment of offending Charity Boards c.f. Estate Agents Boards.

5. Secretary's Report:

Nothing to report this month.

We are unable to use Sythwood school. We will therefore use Beaufort. The problem of freeloaders was discussed.

e) Ski slope:

f) Skittles evening:

at Bagshot would cost £1.75 per head. This includes a meal.

g) T.V. shows:

J.W. is to write to the companies for details of shows for us to visit.

h) Gala:

F.B. expressed his thanks to all helpers. We require ideas for next year's. C.F. proposed a vote of thanks to F.B. for his work and organisation.

A.S. suggested a big one on a Sunday lunchtime given the success at the Saturday affair and the Gala. The drawback would be that the Robin Hood serves food at that time.

8. Newsletter Editors Report - Brian Bailey

This Month's edition made £55 profit.

A.H is to obtain the Rose Bowl from last years winner in the best front garden competition. F.W requested Committee members to nominate gardens for this year's event.

9. Community Centre Part 2

The cost of furnishing the Centre exceeds £4000 and could be as much as £5000. It was suggested that the furniture could be shared with the Council.

S.D. on holiday this month. The Committee were reminded again to rejoin the Association.

11. Any Other Business

c) Huntingdon Road:

The Committee was reminded that there would be no meeting in August. The meeting was closed at 10.05pm

2. Minutes of the 1986 AGM

The minutes were agreed as being a true record of the proceedings.

Proposed by - Cllr J Goman-Smith

Seconded by - Cllr J Lane

3. Matters arising from the previous minutes

4.1 The planting of bulbs earlier this year was described as very successful. The Chairman hoped to discuss with other organisations further projects for 1988.

5.5 The Chairman commented on the large Committee which was elected at the previous AGM which sadly dwindled for various reasons throughout the year.

4. Officers' Reports

4.1 Chairman's Report - Mr P Winter

- . Community Centre: Achieved the prime objective of raising sufficient funds by March 1987 as our contribution to the building fund. The first sod was dug in February 1987.
- . Ferry Disaster: £800 was raised.
- . Silversmiths Way footpath: It is hoped that this will soon be resolved.
- . Youth: Support has been given throughout the year eg. The Gala provided a higher profile for GYLD.
- . Allotment Society: Best Front Garden Competition took place in July; more could have entered and it is hoped the 1988 event will be larger.
- . Drop in Centre: Land has been identified and funds available. Work should start in January 1988 when land is released by the Church builders.
- . Lakeview Estate: The Chairman assured residents that the estate is part of Goldsworth Park. The Association liaised with Surrey County Council Social Services to improve the estate. The Newsletter is not being delivered to all areas owing to the lack of volunteers.
- . Furnishings and Fabric: Very generous offer received from Mr Latimer. Terms of purchase have been accepted by the Committee.
- . Liaised with Councillors re: Speed limits along Lockfield Drive
Dog fouling of footpaths
Estate agents' board - it is hoped the Council will take a firmer line here in future.
- . Complaints: From Residents, Council, Ideal Homes and others against one of the Association's Committee members. Matter was discussed by the officers and the Committee has since accepted his resignation. The Chairman apologised to any senior citizens who were approached/upset and re-affirmed the Associations commitment to the senior citizens.
- . Goldsworth School: Recent decision by Surrey County Council was described as terrible. Residents were asked to make their feelings known to Councillors and Officers.
- . Church: The building of the Church was welcomed.
- . Future: Formalities required once the Centre is open were outlined. Fund raising will go on to meet costs of furniture, but afterwards the Committee will be reorganised with a new emphasis on managing the Centre.

The Officers and Committee members were thanked for their support throughout the year. Also to S Dixon and J Sawtell who were not seeking re-election. Gratitude also expressed to the residents and R Cook, legal adviser.

4.2 Social Committee Report - Mr B Bailey

- . Dash for Centre: This event started the year and was a great success owing to very hard work and generous donations.
- . Car Boot Sales: Were always a great success but apologies offered for any inconvenience caused owing to traffic congestion. Jumble sales were of a mixed nature regarding attendance and profit.
- . Various Events: Stag and Hen nights varied. Family barbeque, Treasure Hunt, Gala, Fireworks evenings all very successful.
- . Friday Spectacular and Dances: All disappointing owing to low attendances. The public were asked for more of their support or fresh ideas.
- . Future: Cannot now afford to take risks and lose money before the Centre is opened. However, once OUR venue is permanent we can perhaps be more sure of success and take risks.
- . Publicity: Difficult owing to the Council's policy of fly posting.

Committee, Officers, Members and Supporters were all thanked and it was hoped the support would continue next year.

The Association's sponsors, Mann & Co and Whiteman Packer were thanked.

Mr Bailey thanked the Chairman for his hard work in this and previous years.

4.3 Treasurer's Report - Mr C Grainger

- . Receipts and Payments statement for year end October 1987 was submitted. The excess of expenditure over income was explained. Amounts relating to specific events were outlined. Individual donations were mentioned.
- . Statement of Financial Assets as at 31 October 1987 submitted. It was explained that £1000 had to be available for day to day needs.
- . Balance Sheet as at 31 October 1987 was submitted showing the Association's 'share' of the Centre.

The Treasurer thanked all those who had contributed throughout the year including sponsors and local businesses.

Also thanked his wife, Lynne for her hard work and support during the year.

5. Election of Officers and Committee

The Chairman proposed that the officers and members of the Committee be elected in one block. The rationale being that if any one else wished to stand they were very welcome to attend monthly Committee meetings to see what was involved before committing their time.

The Secretary read out the proposed Committee for the next 12 months:-

P Winter	- Chairman
B Bailey	- Vice Chairman
C Grainger	- Treasurer
R Webb	- Secretary
A Harmour	- Committee
B Springall	- "
R Greig	- "
C Taylor	- "
J Lane	- "
J Wilsher	- "
C Bunce	- "
K Nieman	- "

All the above were duly elected.

6. Community Centre

Bob Booth, Assistant Director Leisure Services, Woking Borough Council, could not attend the meeting but had prepared a report for submission. Building commenced February 1987 and there was an initial delay of 5 weeks from which we have not recovered. This was connected with foundation pilings, and completion is now scheduled for May 1988.

Brickwork is complete, building is watertight, roof tiles nearly complete. Now proceeding with internal electrical and mechanical details.

The Chairman advised that the patio area outside the Centre could be used as a bar extension and the Council have been asked for a right of use. Cllr Comens described in greater detail the legal problems here.

7. Questions

There were no questions from the floor.

8. North West Surrey Community Health Council - Mrs A French

The Chairman introduced Mrs French to the meeting who gave a short presentation on the functions and responsibilities of the Health Council.

The Councils are national bodies which match the Area Health Authorities; statutory and part of the NHS. Act as a consumer body. They monitor services and are consulted on permanent but not temporary closures.

Cannot investigate complaints but can advise and help complainants through any required paperwork etc.

In answer to a question by Cllr Comens it was revealed that the main areas of complaint were in respect of waiting lists and the chiropody service.

5. Election of Officers and Committee

9. Any Other Business

9.1 Bob Bennett - Community Policeman

The Chairman asked PC Bennett to outline events during the year.

- . Neighbourhood Watch: 2 People have been to see him recently regarding possible new schemes but no progress since. In many areas of the Park too many people are out all day to make it work.
- . Glue Sniffers: Old glue bags have been found around Lakeview but does not appear to be a current happening. People should refer to him if they are concerned.
- . Crime Rate: Down over the last year. 75% of crime on the park is committed on Sythwood.
- . Health Centre Office: Working quite well at the moment. Office at Hartshill walk is not working.

The meeting expressed its appreciation to PC Bennett.

9.2 Disabled Parking Bays

The Chairman advised he had received several complaints concerning the mis-use of disabled parking bays outside Waitrose. An article will appear in the next newsletter.

PC Bennett advised that the area was private property and the bays not enforceable.

9.3 Ideal Homes

Mike Davies from the company announced during the 1986 AGM that parking spaces at the new offices would be made available for public use at weekends. As this was not included in a legal document by the Council the company is now denying the residents these rights. The matter will be pursued.

9.4 Other matters

- . A map board for Lakeview was requested.
- . Vandals (?) had redirected a sign post and this had been so for some time. It was impossible to rectify the matter by hand and the Council is to be asked for assistance.
- . Mr Bailey asked for action on the terrible state of the road in Sythwood near Fenwick Close.
- . Safety railings were requested for the footpath off Denton Way to Waitrose.
- . Mr Bailey thanked all deliverers of the newsletter but added that more were needed.
- . Cllr Goman-Smith proposed a vote of thanks to the Chairman and Committee for their hard work.

The Chairman thanked all those attending and closed the meeting at 9.05 p.m.
