

Fruit for the Future!

serco
Waitrose

Cllr Amanda Coulson and Rabia (Muslima Club)

Cllrs Cross, Eastwood and Coulson with local resident Harry working hard for their lunch!

If you have recently strolled through Lakeview, you will have noticed some new budding trees scattered around Hartshill Walk. These are not just ordinary trees, but a testament to community work and a fruitful investment for the future.

On Saturday, 31st March, volunteers gathered at the Lakeview Social Hall to help the Lakeview Community Action Group (LCAG) plant 20 fruit trees on the Lakeview Estate as part of a Community Orchard initiative. Community

Orchards are a great way to build communities and improve the quality of life for everyone in the neighbourhood.

LCAG championed this project because of the benefits of a Community Orchard which include:

- Bringing people together for planting
- Providing fruit and improving diet for healthy living
- Teaching food and plant growing awareness
- Providing a habitat for wildlife

- Providing shelter and shade
- Making the urban landscape more relaxed and enjoyable

Luckily the rain held off and even though the weather seemed dodgy at times, with dark clouds threatening to hamper the event, it had no effect on the sunny outlook of everyone present. Volunteers were joined by the Mayor, Cllr Ken Howard and the MP for Woking, Jonathan Lord who planted the first tree. The Mayor kicked off the event with a dedication. He said: "I would like to dedicate this first tree here in the Lakeview Community Orchard to the memory of a well known local resident, Heatherann Weaver. Her dedication to community work in Lakeview has been an inspiration to everyone who knew her."

The Lakeview Community Action Group, the Lakeview residents and all the volunteers here today, serve as the inspiration for this orchard to celebrate the hard work by all the local community champions to improve Lakeview.

I hope these trees provide the inspiration for all the local residents to reap the fruit of 'community spirit' for many years to come."

LCAG volunteers were also joined by Ward Councillors, Officers from Woking Borough Council, members from the Muslima Club, Woking People Faith, Surrey Faith Links, Bangladeshi Cultural Association, Ribat Institute, Serco Surrey Police and the Goldsworth Park Community Association.

After planting all the trees under the watchful eye of one of the organisers, Andrew Hargreaves (LCAG), everyone was treated to tea, scones and muffins, baked by Cllr Amanda Coulson and a wonderful lunch prepared by local residents. LCAG would like to thank Waitrose Goldsworth Park for donating bottled water which ensured nobody dehydrated from digging holes and driving in tree stakes. Serco kindly supplied all the stakes and ties and local residents, Anita Holden, and her husband ensured all the watering cans were filled and trees watered by young and old.

County Council Report

Diana Smith,

County Councillor for Knaphill and Goldsworth West

Reception school places 2012

Offers of places for children starting in state reception and junior schools went out on the 18th March. The number of children needing places has gone up steadily over the last few years because of rises in the birth-rate, more people moving into Surrey, and the recession meaning fewer parents are sending their children to fee-paying schools.

Surrey County Council has to make sure there is a place for every child wanting one, and ideally at a school the parents have chosen. This year, Surrey was better prepared than previously. 83% of parents who got their applications in on time have been offered their first choice for their child, while 95% have been offered one of their three named choices. This is 1% up on previous years, which is impressive when you consider applications went up by 5% this year over last.

In Woking, a number of schools have taken on extra classes this year, and as a result overall there are slightly more reception places in Woking than children wanting them. The three schools taking reception age children on Goldsworth Park are Beaufort Community Primary School, Goldsworth Primary School (now an academy) and Sythwood Primary School. The extra places mean that Beaufort and Sythwood were both able to take all their first preference children, although Goldsworth Primary was oversubscribed.

There's a similar pattern in other parts of Woking. Some schools are very popular with parents and have too many first choice applications, but nearly always there's a school fairly nearby that can pick up a number pupils for which it is the second or third choice. We're lucky on Goldsworth Park that none of our schools are less than good.

The Tour Series

The Tour Series comes back to Woking for the fourth time on Tuesday the 15th of June. Surrey County Council becomes involved with the arrangements alongside Woking Borough Council because Surrey is responsible for the roads and road closures.

The circuit will be the same as last year, using part of Victoria Way, Guildford Road, Church Street West and Goldsworth Road. These will be closed from 10.00 o'clock in the morning to midnight. Driving in from Goldsworth Park on Lockfield Drive and along Victoria Way towards the main entrance to the Peacocks car park will be possible all day, but traffic that otherwise would go out of Woking through Victoria Arch will be diverted down Parley Drive and Triggs Lane.

In the afternoon, before the professionals take over, the track will be used for 'Community' races: a race for teams from schools, and another open to any (amateur) team of four, selected either in qualifying heats on static machines in Wolsey Place on the 15th and 19th of May, or by ballot. There'll also be a 'free wheel' event allowing anyone to ride around the course – but on a first come, first serve basis, with details becoming available in May.

The Olympic Torch

Some more details about Olympic arrangements were given at the most recent Woking Local

Committee meeting. The Olympic Torch Procession comes to Surrey on the 10th, 17th and 20th of July. It doesn't go through Woking, but on the 20th July it will end the day at Stoke Park in Guildford for a 'night of celebration'.

For most of the route, there are supposed to be 'rolling' road closures, and it's expected that the procession will get through in about 15 minutes, so roads can be re-opened. However, there's no way of knowing how many people will turn out to try to see it go by, and what effect that will have.

The next time to look out for Surrey road closure chaos will be the 28th and 29th of July, with first the men's and then the women's Olympic Cycling Road Races looping round Surrey from Hampton Court through West Byfleet, Gomshall, Dorking, and around Box Hill.

There has been liaison with health and emergency services, and we had a verbal assurance that if there were an emergency making it necessary the race would be halted. For the organisers, this is a nightmare scenario, made less unthinkable by the disruption to the Boat Race this year.

When you think it's all over ...

It's just been announced that Surrey has managed to 'capture' the last stage of yet another cycle race, the 'Tour of Britain.' This will be on Sunday 16th of September, after starting in Suffolk the previous Sunday. The Surrey leg will begin in Reigate, and follow a figure of eight route around the Surrey countryside including coming up towards Woking, going through Mayford and Send. It'll end on the steep cobbled section of Guildford High Street. That might be fun to watch – but with the road closures involved, I'd go to Guildford by train!

GOLDSWORTH LETTERS - APRIL 2012

“KEEP GOLDSWORTH PARK SPARKLING” continues...

Dear Editor

I like your slogan “Sparkling Goldsworth Park”.

It was very encouraging to read the letters from Sue Howell and The Watcher in the April edition of GPCA news and I would like to thank those residents who have given me so much support while doing my rounds.

I am not the only one doing litter picking. I have met people who tell me they pick up litter in their areas and I have noticed residents picking up litter and putting it in bins. Some kind person(s) picked up the lager bottles and cardboard box near the playing fields during the Easter weekend. The tidying up by residents in Clifton Way/Denton Way has also been impressive – truly sparkling !

If anyone would like a litter picking tool, some are available from Serco, but they need names and contact details first of all. Please contact the Editor if you would like to apply.

The WBC neighbourhood officer has been notified that we need more litter bins, but these things take a long time and, apparently, Serco would charge more for emptying additional bins. This may take a little while. We will have to be patient.

Meanwhile, my blue and black bins are put to full use every week. My blue bin has now been emptied for the fifth time. However, the backlog of litter around the lake and in the woods is being reduced.

David Powell

KEEP ALL OF GOLDSWORTH PARK SPARKLING 3

We have had a lot of letters in recent months about litter around the Park and the efforts of a few good citizens in cleaning it up. In a similar vein, we have heard of problems of rubbish accumulating in parking areas, garage blocks and bin areas.

There are many garage blocks and shared private parking areas throughout Goldsworth Park. There are also bin stores, some of which are no longer used since the introduction of wheelie bins. These areas are usually associated with the smaller “starter” homes which change hands fairly frequently or are often let to tenants. Unfortunately, some of the residents of these properties do not realise that, as they own or rent a share of this private land, it is their responsibility to look after it. Litter gets blown around and items dumped and, over time, there can be an accumulation of rubbish for which no-one is prepared to accept responsibility. It is easy to say “I did not put it there so why should I clear it” but once there is a bit of rubbish lying around, it is amazing how quickly more accumulates; it is as if one bit of rubbish gives a licence to dump the next!

Where residents work together to keep the communal areas clean and tidy, their efforts pay off – even though the ranks of wheelie bins are not exactly attractive.

Keep an eye out for the people responsible. With general litter, a word might be enough but fly tipping, whether by a resident moving out and not wanting to take all their junk with them or by a non resident driving into a quiet spot to dump their rubbish, is a criminal act and the Police should be informed of as much detail as possible. Remember, the Council is not responsible for removing rubbish from private property.

From the Guest Editor

I have been asked to guest-edit the Goldsworth news this month as Amanda Coulson is otherwise engaged. I hope you will bear with me – a mere amateur – in my first attempt as editor. Amanda will be back in the saddle next month.

A couple of months ago, the editor reminded you all of a suggestion about holding a Big Picnic Lunch around the lake to celebrate the Queen's Diamond Jubilee. The GPCA regrets that the event will not be going

ahead due to lack of interest.

You may notice that **Roger Westcott's** From the Lakeside article is missing this month. Roger is taking a well deserved break and recouping his strength for the next phase of the works on the lake. He will be back next month with news and pictures of everything that is going on. To whet your appetite, I have heard that there will be another pebble beach in the wildlife area and lots of new plants in the lake, including broad leaf pond weed. I remember when we used to have this plant, with its pretty pink flowers, in the lake but it has been gone for many years.

TRY TENNIS

Churchill Tennis Club (adults) has launched its summer season on the newly refurbished tennis courts at the Winston Churchill School Sports Centre.

New players are welcome to go along to Club nights from 7pm on Mondays and Wednesdays through to the Autumn. This is a friendly club with the emphasis on social tennis. There are club competitions on a regular basis but generally the evenings are for those who would like to play more tennis and get a bit of exercise.

Anyone is welcome. For more information email us at churchilltennis24@yahoo.com

Lakeview Community Action Group, said:

"We are very grateful for all the support from Surrey County Council and Woking Borough Council. We look forward to wide support from all section of our diverse community. It is great that together we can make a long-lasting difference for everyone in the Lakeview community. Planting fruit trees is a powerful statement of future hope and life."

The Lightbox

Kenwood Exhibition Celebrates the Revolution of the Kitchen

'The Art of Design: Kenwood in the Kitchen' is the new, free exhibition opening on 28 April 2012 at The Lightbox gallery and museum in Woking, Surrey and will explore the success of the Woking-born company that has transformed the kitchen.

Kenwood Minor A305 Packaging, 1950s, by Kenwood

Design pioneer Kenneth Wood co-founded the company in 1948 and went on to develop iconic and familiar products and appliances that over 65 years

have transformed our daily lives. For the first time, 'The Art of Design: Kenwood in the Kitchen' will bring together products from 1947 to the present day, illustrating the Kenwood design journey. The exhibition will show how continuous innovation in design and function and advances in technology led to the first food mixer to incorporate an electronic speed control, catapulting the company to become an international household name turning over £1.5 million in less than ten years.

Alongside this, the exhibition will explore the impact of Kenwood's designs on the social and cultural landscape of the late 1950s and 1960s. Personal accounts, vintage advertisements, product reviews and new research will show how Kenwood successfully captured the mood of the time with dynamic products that spoke to the post-war boom generation. 'Kenwood's 'magic touch' Chef makes good eating a pleasure that's yours for a lifetime!' claimed one 1950s Kenwood advertisement.

Commenting, Curator Michael Regan says: 'The Kenwood story of design that has continually embraced innovation whilst appreciating domestic values, has resulted in 65 years of products that are both a commercial success and a joy to use. This exhibition brings Kenwood back to Woking to explore the brand's tremendous contribution to Britain's status as a product design pioneer and considers how its revolutionary products have had such a significant impact upon our everyday lives.'

'The Art of Design: Kenwood in the Kitchen' will be on show at The Lightbox from 28 April until 24 June 2012, entrance is free (donations welcome).

Basingstoke Canal Footbridge and Towpath Closures

From Monday 23 April 2012, the pedestrian footbridge over the Basingstoke Canal in Woking Town Centre and a small section of the canal towpath will be closed and short diversions put in place until early 2013.

Pedestrians and cyclists wishing to access the town centre and The Lightbox are advised to follow the diversion signage in place around the construction site and nearby pedestrian crossings.

The closures are necessary to start the construction works for the new footbridge, which is required because the existing footbridge has reached the end of its life. The new pedestrian bridge, to be named Bedser Bridge in recognition of local Horsell cricketing heroes, Eric and Sir Alec Bedser, will allow access to and from Woking Town Centre, Brewery Road Car Park and WWF-UK's new Living Planet Centre.

TV Amnesty: Bin Your Old Box Now!

With the Digital Switchover now in full flow, many people are wondering what to do with their old analogue television sets. Residents can now recycle unwanted television sets, including leads, plugs and remote controls, by leaving them alongside their waste or recycling containers on their normal collection day from Monday 30 April to Friday 25 May. These will then be collected and the parts will be separated for recycling. After this, they must be taken to a Community Recycling Centre, such as Martyrs Lane or Slyfield, or they can be collected as part of the Council's chargeable bulky waste collection service.

A new vision for Woking's homes

From 2 April 2012, the homes of the 3,800 Council tenants and leaseholders in Woking will be managed by **New Vision Homes**, a joint venture between Pinnacle PSG and Mansell Construction Services Ltd.

The innovative move has been taken to improve service levels and value for money delivering over 30% like for like savings for Woking Borough Council's residents.

Pinnacle PSG will lead the joint venture, New Vision Homes, and will deliver housing management services, income management, tenancy management, estate management and lettings. Mansell will be responsible for full asset management including servicing, statutory inspections and assessment, cyclical works and planned investment works.

Already new services are being introduced. Residents will now be able to access housing services 24/7, by calling the New Vision Homes Customer Hotline on 0300 373 0373. Calls outside of office hours will be dealt with by customer services staff that will be able to support and answer queries. Tenants will be able to discuss their rent, find out their rent balance, report anti-social behaviour, book an appointment for a repair or to see a housing officer, report an emergency repair or discuss issues relating to cleaning or grounds maintenance. New Vision Homes will also deliver big improvements to the cleaning, repairs services and asset management. Investment in hand held technology and improved operating systems will give tenants faster repairs, more appointments and greater clarity on when improvements will be made to their homes.

Have your say on late night alcohol sales

Woking Borough Council is giving local residents the opportunity to voice their views on alcohol restrictions in the Borough.

Residents are being asked if they would like to implement either a **Late Night Levy (LNL)**, or an **Early Morning Restriction Order (EMRO)** following the introduction of the Police Reform and Social Responsibility Act 2011. The Act, which was introduced in 2012, seeks to redress elements of The Licensing Act 2003, which makes provision for the regulation of the sale and supply of alcohol.

Woking Borough Council's Licensing Manager, Russell Ellis, said: "We hope residents and businesses will take the opportunity to comment on these modifications to the Licensing Act as they are perhaps the biggest changes since licensing reforms in 2005. It is important that we make informed decisions and therefore, that residents have their say on issues that affect our Borough."

Woking Borough Council can only implement one of these two options following the consultation process, as directed by the Home Office. After initial consultation

with Woking Borough Council's Licensing Committee, Surrey Police and interested parties, the Council's preferred option is the introduction of a Late Night Levy. The consultation will however, seek to gain opinions of residents on both the Late Night Levy and Early Morning Restriction Order, to gain a balanced view of opinions.

The consultation is available via the Woking Borough Council website or, for a hard copy of the questionnaire, please contact Woking Borough Council's Licensing team, on **01483 755855** or email licensing@woking.gov.uk

The deadline for responses is Friday 22 June at 4.45pm.

Get ready, steady, pedal for the new look Tour Series Community Races and Time Trial Challenge!

Before the start of the professional Tour Series races on Tuesday, 12 June, local people will kick off the two-wheeled action with a series of **Schools' Races**, followed by the nail-biting Team Race and finishing off in style with the family-friendly **Free Wheel** event.

This year, there is a new twist to the Team Race with the introduction of the fast and furious Time Trial Challenge qualifying heats, taking place on **Tuesday, 15 May** and **Saturday, 19 May** at the Celebrate Woking HQ in Commercial Way where teams of four cyclists battle it out against the clock over a 4.5km virtual reality course on state-of-the-art **Turbo Tacx ergo trainers**. The five fastest teams on the Time Trial Challenge Leaders' Board will qualify for pole position spots on the start/finish line at the Team Race on Tuesday, 12 June. The remaining Team Race places will be randomly selected from entries into the **Wildcard Winners' ballot**.

Team Race entries for the Time Trial Challenge and Wildcard Winners' ballot are open to groups of four people only. Places for the race are highly contested and, for safety reasons, are limited to 15 teams only.

Also featuring in this year's Community Race line-up are the highly popular **Schools' Races**, open to schoolchildren from across the Borough, and the **Free Wheel** open to everyone on two-wheels!

For details of how to get involved, see www.celebratewoking.info or contact Gary Cordery, Woking Borough Council's Health and Well-being Officer, at gary.cordery@woking.gov.uk or by calling 01483 74342

6 COOK'S CORNER

May Day Maids of Honour

May Day, or Garland Day, was a day of great celebration to welcome arrival of spring. There are many traditions related to May Day but I am particularly drawn to the one where you have to get up at dawn to wash your face in the dew. Along with ensuring a fine complexion, it also promised that you would marry the first man you set eyes on afterwards - sounds decidedly risky to me! There are several traditional recipes synonymous to the day, most of which seem to require huge quantities of alcohol, but also there are "Maids of Honour". These sweet tartlets are thought to have been originally served to Anne Boleyn, whilst she was a lady-in-waiting to Catherine of Aragon, at the court of Henry VIII. It is said that Henry was so delighted with the recipe that it was locked away so the tartlets could only be produced for him. The recipe was "leaked" in Georgian times so we can all now enjoy them.

Ingredients (makes 18):

- 225g / 8oz home made or ready made puff pastry
- 2 tablespoons quince or apple jelly or apricot jam
- 225g / 8oz curd or cottage cheese

- 75g / 3oz golden caster sugar
- grated rind of 1 lemon
- 50g / 2oz ground almonds
- 2 medium eggs
- 1 tablespoon brandy (optional)
- Icing sugar to dust

Method

- Heat the oven to 200°C, 400°F, Gas Mark 6.
- Grease bun or patty tins.
- Roll out the pastry very thinly and cut out rounds large enough to fit in the bun tin and for a lip around the top. A flower shaped cutter makes a particularly attractive "Maid of Honour".
- Spoon a little of the jelly or jam in to the bottom of each pastry case - not too much or it will bubble over while cooking. Chill while you prepare the filling.
- Sieve the curd or cottage cheese through a fine sieve into a mixing bowl.
- Mix in the caster sugar, ground almonds and lemon rind.
- Beat eggs and brandy, if using, and add to the cheese mixture.
- Mix thoroughly until well blended.
- Fill each pastry case two thirds full with the cheese mixture.
- Bake in the centre of the oven for about 25 minutes, until well risen and puffy.
- Dust with icing sugar.
- Serve warm or cold.

Sunny March for outdoors activities

Do you remember those hot sunny days in March? The days were beautifully warm, but the nights were cold. Those who had been on Slum Survivor endured two very cold nights, as well as the rigours of the slum-like existence.

On Palm Sunday, we had another visit from Harry, the Donkey, as we followed 'Jesus' into Jerusalem - to the surprise of the shoppers going into Waitrose. On Good Friday, with lovely sunshine again, we re-enacted the Crucifixion of Jesus. This brief presentation reminded us of the suffering endured by Jesus. Knowing Jesus had been thoroughly dead and buried made the Easter story even more amazing! More people than in previous years joined us for all of this year's story.

Would you like your car washed free of charge? To watch or perform in a free talent contest? Maybe you'd like free help with gardening, painting or tidying up? Or to enjoy a leisurely

*in our villages,
towns and cities*

afternoon tea or a free barbecue on the lawn at St Andrew's church?

St Andrew's Church is running a series of events for the community on Goldsworth Park from Monday, 4th - Sunday, 10th June under the "Hope Week" banner. "Everything we're doing is designed to bring the light and love of Jesus to our community on Goldsworth Park," explained parish vicar, Canon Richard Cook.

Church volunteers will be on hand throughout the week, picking up litter and offering help to residents on the Park. If you spot them, please say "hello"!

Volunteers will also be at Goldsworth Park Centre to wash cars free of charge on Monday, Tuesday and Saturday: there's no need to book - just turn up!

If you're aged 13-16, you can come down for a kick about at the Sythwood pitches on Wednesday from 2pm, and

basketball at Lakers also at 2pm.

Everyone can enjoy an afternoon tea from 2.00 - 4.00pm on Monday, 4th June in the Church lounge, for a donation of only £2. Tickets are available from the Church office.

If you're a performer or would like to see a free show, then the Talent Contest on the evening of Wednesday, 6th June at 8.00pm is the place for you. It's in the main Church building and is free to attend and free to enter. Please tell the Church office in advance on the number below if you wish to perform.

The Hope Week finale is a family-friendly, outdoor Celebration Service for all ages in front of the A2 Youth and Community Centre at 10.00am on Sunday, 10th June, followed by a free barbecue. Everyone is welcome - you don't have to be a church regular. There'll be a bouncy castle to entertain youngsters, during both the service and the barbecue.

St Andrew's church and the A2 Centre are at Goldsworth Park Centre, between the Health Centre and shops.

For more details of Hope Week events, as well as services and activities at St Andrew's and its Youth Centre, you can visit church website at www.goldsworthpark.org.uk, or phone the parish office on 01483 723879 any weekday morning from 09.30-12.30. Alternatively, drop in to the St Andrew's Coffee Shop, open between 10.00 am to 2.00 pm from Tuesdays to Fridays.

Come and Sing with the Epworth Choir

**Saturday 16 June from
2.30 - 5.30pm**

The Epworth Choir is a friendly amateur mixed choir of about 100 singers from Woking and the surrounding areas. One of Surrey's leading choirs, its aim is to raise money for local charities, whilst promoting the enjoyment of choral singing as a pleasurable activity, easily accessible to all.

The Choir is organising an afternoon **Come and Sing at Trinity Methodist Church** and would be delighted to see as many people, experienced and would be singers, as possible. The programme will consist of favourite choral works and opera choruses and the event will be lead by Epworth's Music Director, Matthew Willis.

The cost is £12.00 per person and all music will be provided. For further details and an application form, please see www.epworthchoir.org or contact Liz Morrish on 01483 756670, secretary.epworth@gmail.com.
